

SOUTH UIST ANGLING CLUB

FISHING RETURNS

As an Angling Club, we are obliged to provide details of the annual catch, in terms of fish released and fish taken from our lochs and waters, to Storás Uibhist, SNH, the Scottish Government and the Western Isles Salmon Fisheries Board to enable information of a statistical nature to be collated to illustrate the case for sustaining and improving freshwater fisheries within the Western Isles. It is hoped that the collected information will also be of interest to our members and visiting anglers. **Please complete and return this form as soon as possible but no later than 14 November.**

In the appropriate columns, please keep a record of all fish **above limit size** caught in SUAC waters. In the column to the right, show the number of **all under-limit** fish caught. The completed form should be returned to Sheena MacMillan as soon as possible, especially if you have caught any salmon or seatrout or had a notable day or week, but in any case no later than 14 November. Sheena.MacMillan@StorasUibhist.com or by post to: Fishing Returns, Storás Uibhist, Daliburgh. HS8 5SS.
